Dear Nova,

On behalf of the underprivileged children, I write to express our heartfelt gratitude to your generous donation Christmas gifts for 98 underprivileged children. We gave the gifts to the children on 16 December 2016. The children are so happy and grateful to your help. Your generous donation and strong support do bring love and joy to these underprivileged children.

Now, there are about 1.35 million people living under poverty line in Hong Kong. 249,000 of them are children. SoCO has worked hard to advocate for supporting resources and policies to fight for employment policies and rehousing policy as well as education subsidy for the underprivileged children. At the same time, SoCO has mobilized social resources to provide temporary resources and services to support the underprivileged. SoCO currently reaches out to help about 10,000 underprivileged people.

Enclosed please kindly find the receipt and our children publication, dream photographer and Trapped for your information. I look forward to joining hands with you again to serve the underprivileged in the days to come. If you need any further information, please feel free to contact our social worker, Miss SZE Lai Shan at 2713 9165 or 9152 4331 or soco@pacific.net.hk.

Wish you and your members a wonderful year of the Rooster!

With best wishes and warmest regards,
