Dear Suzanne,

On behalf of the underprivileged children, I write to express our heartfelt gratitude to the generous donation of $32,560 and 32 sports equipment from you and your members to 199 underprivileged children as Christmas Gifts. The children are so happy and excited to receive your gifts. Thank you so much for bring joy and love to these children at Christmas time. Your generous donation and support enable SoCO to help more underprivileged.

There are about 1.35 million people living under poverty line in Hong Kong. 229,000 of them are children. 50,000 of them live in cagehomes, cubicles, sub-divided or roof-top huts. SoCO has worked hard to advocate for supporting resources and policies to fight for education policies and rehousing policy for them. At the same time, SoCO has mobilized social resources to provide temporary resources and services to support the underprivileged. It can be foreseen that it will be a harder year for the underprivileged and SoCO in the coming year. Your donation is extremely important and precious to us in such a difficult time. SoCO currently reaches out to help over 10,000 underprivileged people.

Enclosed please kindly find receipt for your information. I look forward to joining hands with you again to serve the underprivileged in the days to come. If you need any further information, please feel free to contact me or my colleague, Ms SZE Lai Shan at 2713 9165 or 9152 4332 or soco@pacific.net.hk.
Wish you and your members a wonderful and prosperous New Year!

With best wishes and warmest regards,
